Electric Variable Rate shall each month reflect Atlantic's cost of electricity obtained from all sources (including energy, capacity, settlement, ancillaries), related transmission and distribution charges and other market-related factors, plus all applicable taxes, fees, charges or other assessments and Atlantic's costs, expenses, profit and margins.

All rates may be higher or lower than the monthly utility commodity rate. No Guaranteed Savings Offered.

All rates may be modified due to a subsequent change in a law, rule, regulation, tariff or regulatory structure. See regulatory changes provision of the sales contracts.

Gas Fixed Rate is _____ per therm/

Gas Variable Rate is a variable price that may change from month to month based on a variety of factors, including natural gas market pricing from the NYMEX exchange, transportation, and other market and business related factors such as administrative costs, expenses and margins. There is no limit on the amount that your natural gas price can decrease or increase from month to month. Your Atlantic natural gas price may be higher or lower than the utility's default service price in any particular month, and there is no maximum price. The applicable taxes will be added to all the rates herein. See Pricing, Billing, and Termination section for more information.

INCENTIVES AND PROMOTIONS: Atlantic will provide customer with free LED light bulbs at the premises where service is provided. The type, number and placement of the LED lighting will be determined by Atlantic at its sole discretion based upon a review and examination of the relevant premises. Agreement to Sell and Purchase Energy. These Terms and Conditions, together with the attached Disclosure Statement, form the Agreement between Atlantic Energy, LLC (“Atlantic”), an independent energy services company, and the undersigned customer (“Customer”) under which Customer shall initiate or electricity and/or natural gas service and begin enrollment with Atlantic (the “Agreement”). Subject to the terms and conditions of this Agreement, Atlantic agrees to sell and deliver, and Customer agrees to purchase and accept the quantity of electricity and/or natural gas, as estimated by Atlantic, necessary to meet Customer’s requirements based upon consumption data obtained by Atlantic or the delivery schedule of the Local Distribution Company (the “LDC”). Atlantic is not affiliated with and does not represent the LDC. The amount of electricity and/or natural gas supplied under this Agreement is subject to change based upon data reflecting Customer’s consumption obtained by Atlantic or the LDC’s delivery schedule. The LDC will continue to deliver the electricity supplied by Atlantic.

Term. The Term is as set forth on the Customer Disclosure Statement. The Term shall commence as of the date of the first meter reading following when the change of Customer’s provider to Atlantic is deemed effective by the LDC, and shall continue for the period designated in the Customer Disclosure Statement. The Term for the initial period is referred to as the “Initial Term”. Unless otherwise agreed to, upon completion of an Initial Term that exceeds this Agreement will renew on a month-to-month basis with a monthly variable rate methodology with no change to the remaining terms (the “Renewal Term”). At least 30 days and no more than 60 days prior to the renewal date, Atlantic will notify Customer in writing of the terms of renewal of this Agreement and of the Customer’s right to renew, reject or renegotiate this Agreement. Customer shall have 3 business days from receipt of the first billing statement of the Renewal Term to reject renewal terms and cancel the renewal agreement. While receiving service on a month-to-month basis, such notification will be provided only for the first renewal occurring at the end of the Initial term, and Customer or Atlantic may cancel or terminate this Agreement by providing 30 days’ advance written notice of termination to the other party.

Right of Rescission - Customer has the right to cancel this Agreement without fees or penalties by contacting Atlantic by midnight of the third business day after receiving this Agreement.

Pricing, Billing, and Termination. Unless otherwise agreed to in writing, the Price for services provided in this Agreement is set forth on the Customer Disclosure Statement. Under a fixed rate if usage in any month exceeds the level of usage in the same month in the previous year (“Base Load”) by ten percent or more, the Customer will be charged a variable rate for all usage in excess of the Base Load and the agreed upon Rate for usage up to the Base Load. If the usage in any month falls by ten percent or more below the Base Load, the Customer will be charged the agreed upon rate for all usage and shall be charged for hedging, cash out costs, settlement or balancing costs related to the positive difference between the Base Load and actual consumption. If there is a material adverse change in the business or financial condition of Customer (as determined by Atlantic at its discretion) or if Customer fails to meet its obligations under this Agreement or pay or post any required security deposit, then, in addition to any other remedies that it may have, Atlantic may terminate this Agreement upon 15 days’ written notice to Customer. A customer may cancel this Agreement by contacting ATLANTIC at (800) 917-9133 or by email at info@atlanticenergyco.com. If Customer who has received free LED bulbs or other products from Atlantic terminates this Agreement prior to the end of the Initial or Renewal Term, the Customer shall pay Atlantic a product fee. The product fee is calculated as the sum value of the retail price listed for each product provided to customer as listed in the LIGHTING SPECIFICATION IDENTIFICATION form. The product fee will be prorated to 25%, 50% or 75% after expiration of 18, 12 or 6 months of Initial Term, respectively. ATLANTIC may cancel this agreement at any time upon providing written notice to Customer. Common reasons for ATLANTIC to cancel this agreement would include: Non-Payment – If your electricity or natural gas service is terminated by your utility, then this agreement is cancelled on the date that your electric or gas service is terminated. You will owe us for amounts unpaid for our charges for electricity generation and/or natural gas supply service up to the date of termination. Customer Move – If the customer moves from the address listed above, this agreement is cancelled. If we cancel this agreement for any reason other than for customer non-payment, we will follow applicable rules in providing notice to you. Atlantic will invoice Customer monthly for electricity supplied under this Agreement, as measured by the LDC, and Customer will pay each invoice in full within 20 days of the invoice date or be subject to a late payment charge of 1.5% per month. The LDC will separately bill for, and Customer will be obligated to pay, all LDC delivery related rates and charges. Customer may receive a single bill for both commodity and delivery costs from either Atlantic or the LDC, or each of the LDC and Atlantic may invoice Customer separately. Atlantic may assign and sell Customer accounts receivable to the LDC. Failure by a commercial customer to make full payment of Atlantic charges due on any consolidated bill prepared by the LDC for Atlantic will be grounds for disconnection of utility services in accordance with DPU rules and regulations on the termination of service to non-residential customers. Customer shall be liable for all costs of collection including the late payment interest rate set forth in this Agreement, reasonable attorneys’ fees (if suit is filed) and reasonable collection agency fees. A \$30 fee will be charged for all returned payments.

Assignment. Customer may not assign its interests in and delegate its obligations under this Agreement without the express written consent of Atlantic. Atlantic may sell, transfer, pledge, or assign the accounts, revenues, or proceeds hereof, in connection with any financing agreement or receivables purchase program, and may assign this Agreement to another energy supplier, energy services company or other entity as authorized by the DPU.

Information Release Authorization. Customer authorizes Atlantic to obtain and review information regarding Customer’s credit history from credit reporting agencies and the following information from the LDC: consumption history; billing determinants; account number; and credit information. This information may be used by Atlantic to determine whether it will commence and/or continue to provide energy supply service to Customer and will not be disclosed to a third party unless required by law. Customer’s execution of this Agreement shall constitute authorization for the release of this information to Atlantic. This authorization will remain in effect during the Initial Term and any Renewal Term. Customer may rescind this authorization at any time by providing written notice thereof to Atlantic or by calling Atlantic at (800) 917-9133. Atlantic reserves the right to cancel this Agreement in the event Customer rescinds the authorization.

A final bill will be rendered within twenty (20) days after the final scheduled meter reading or if access is unavailable, an estimate of consumption will be used in the final bill, which will be trued up subsequent to the final meter reading.
