

DELAWARE ELECTRIC VARIABLE RATE HISTORY

In Delaware, licensed suppliers are required to post the historical variable rates that were charged to their customers in preceding months. We do not generally offer variable rates to new customers. You may be paying a variable rate if your fixed rate contract expired and you did not renew your contract. If you would like to sign up for a fixed rate, you can visit our website at www.atlanticenergyco.com or call us at (800) 917-9133.
